PANEL DISCUSSION

Seminar on Europe's Satellite Navigation Programmes: Galileo and EGNOS

Silvia Porfili, EGNOS Service Design Engineer, GSA (silvia.porfili@gsa.europa.eu)

27 March 2019, Vilnius

1. New constellations are coming up (GALILEO and BDS)
2. New signals are being introduced (frequency diversity)
3. New ICAO SBAS Standards
4. New SBAS systems are being considered:
 - Africa (ASECNA Initiative, African Union, South Africa Demonstrator)
 - Australia and New Zealand

Major improvement of SBAS service
both in terms of performance and of coverage

The SBAS Family

Linking space to user needs
