A 003. ESTABLISHMENT OF TEMPORARILY ESTABLISHED SEGREGATED AREA OF THE REPUBLIC OF LITHUANIA

The procedure and conditions for airspace reservation shall be in conformity with the Description of the Procedure for Establishment of Temporarily Established Segregated Area (TESA) approved by Order No V-264 of 19 December 2017 of Director General of SE "Oro navigacija".

1. Submission of applications for establishment of TESA

- 1.1 The right to submit applications for establishment of TESA is given to the Commander of the Lithuanian Armed Forces or his authorised officer, the Commander of the Air Force or his authorised officer, the Commander of the National Defence Volunteer Service or his authorised officer, the Commander of the Aviation Unit of the State Border Guard Service under the Ministry of the Interior or his authorised officer, aviation sport federations, aviation companies, aviation training institutions and organisations.
- 1.2 Applications for establishment of TESA (see the attached form) shall be submitted to SE "Oro navigacija" by fax: +370 706 94 579, or e-mail: amc@ans.lt
- 1.3 An application shall include the following data:
 - Name of the applicant, name and surname of the representative, phone and fax numbers, e-mail address;
 - Date and number of the application;
 - Purpose of reservation;
 - Aircraft type (-s), registration mark (-s) (nationality shall be specified for a state aircraft);
 - Person responsible for organising flights, his phone and fax numbers, e-mail address;
 - Requested horizontal geographic coordinates or designation of controlled airspace;
 - Requested vertical (lower and upper) limits in feet above sea level or in flight levels;
 - Date and hours of planned operation (UTC);
 - Aerodrome of departure and arrival;
 - Aircraft navigation and radio communication aids;
 - Other information.
- 1.4 An application shall be filled in Lithuanian or English. Only Arabic numerals shall be used.
- 1.5 If all the data and information for TESA establishment submitted in an application are correct, the director general shall make an appropriate decision and inform the applicant thereon not later than four working days in advance of the planned starting hour of TESA establishment specified in the application.
- 1.6 If the data and information submitted in an application are insufficient or incorrect, or if there is no possibility of area reservation, the application shall be returned to the applicant not later than four working days in advance of the planned starting hour of TESA establishment specified in the application.

2. Regulation of TESA establishment

- 2.1 Priority of TESA establishment shall be granted to:
 - 2.1.1 Activities of national or international level, which require prohibition of all flights in a specific part of airspace;
 - 2.1.2 Air policing and air defence missions performed by the Lithuanian Armed Forces and the NATO Air Force;
 - 2.1.3 World and European gliding competitions;
 - 2.1.4 World and European ballooning competitions;
 - 2.1.5 World and European other competitions of aircraft;
 - 2.1.6 Local gliding competitions, and preparations for World, European and Aero Clubs' championships;

2.1.7 Local ballooning competitions, and preparations for World, European and Aero Clubs' championships;

2.1.8 Other local aircraft competitions, exercises, parachuting, etc.

3. TESA establishment

3.1 Area reservation can be made exclusively in the controlled airspace. A decision on TESA establishment shall be made in consideration of common needs of airspace users and shall meet the flight safety requirements.

3.2 TESA shall be established for a specified period and shall end:

3.2.1 when the reservation period expires;

3.2.2 when activity, for which TESA had been established, is terminated;

3.3 Reservation can be repealed earlier than the term established, when an airspace user terminates the activity, for which TESA had been established, or violates the conditions for TESA establishment.

3.4 The applicant shall inform the ATS provider on termination of activity.

3.5 Information on TESA establishment shall be published in NOTAMs to all users of airspace of the Republic of Lithuania also if necessary, in consideration of the amount of information, SUP can be published.
