A 015. COLLECTION OF PASSENGER DATA FOR THE PUBLIC HEALTH PURPOSES

This aeronautical information circular presents Decision No V-2017 of 10 September 2020 by Minister of Health of the Republic of Lithuania – the Director of State Level Extreme Situation National Operations.

**THE MINISTER OF HEALTH OF THE REPUBLIC OF LITHUANIA –
THE DIRECTOR OF STATE LEVEL EXTREME SITUATION NATIONAL OPERATIONS**

DECISION

ON ORGANISATION OF THE COLLECTION OF PASSENGER DATA FOR THE PUBLIC HEALTH PURPOSES

Following Items 1 and 4 of Paragraph 2 of Article 15 of the Law on Civil Protection of the Republic of Lithuania, Item 1 of Paragraph 2 of Article 37 of the Law on Prevention and Control of Infectious Diseases of the Republic of Lithuania, Resolution of the Government of the Republic of Lithuania no. 152 of 26 February 2020 "On Announcing an Extreme Situation at the State Level", the National Plan for Management of Extreme Situations, ratified by the Resolution of the Government of the Republic of Lithuania no. 1503 of 20 September 2010 "On Ratification of the Plan for Management of Extreme Situations", the Decree of the Prime Minister of the Republic of Lithuania no. 43 of 27 February 2020 "On Appointment of the Director of State Level Extreme Situation National Operations" and Article 23 of International Healthcare Regulations (2005) of the World Health Organisation, I hereby decide:

1. To oblige the carriers, organising and executing the transportation of passengers by scheduled, special and chartered international routes (using all types of means of transport), when executing the transportation to the Republic of Lithuania:

1.1 To ensure that before boarding the means of transport all passengers present a confirmation (QR code) of the completed electronic questionnaire, submitted in order to collect information about a passenger for the purposes of public health, accessible at <https://keleviams.nvsc.lt/en/form> (hereinafter referred to as electronic questionnaire), a sample and recognition information of which are submitted under the Annex to this Decision.

1.2 To instruct the passengers, who fail to submit a confirmation (QR code) of the completed electronic questionnaire, to complete the electronic questionnaire using personal mobile devices before the beginning of the trip and to present the confirmation of the registration. To ensure the opportunity for the persons, who do not possess a mobile device or internet access, to complete the electronic questionnaire using the means provided by the carrier (representative of the carrier).

1.3 Under exceptional circumstances, when executing the transportation by road transport there are no objective possibilities to complete the electronic questionnaire, to provide the passengers with a paper questionnaire to be completed, the form of which is announced on the website of the National Public Health Centre under the Ministry of Health at <https://bit.ly/2F3IbPI>. The completed paper questionnaire must be submitted to the National Public Health Centre not later than within 1 day.

2. To oblige the passengers, who arrive at the Republic of Lithuania, by the scheduled, special and chartered international routes, organised and executed by the carriers, using all types of means of transport:

2.1 To register at the National Public Health Centre by completing an electronic questionnaire.

2.2 To present a confirmation (QR code) of the completed electronic questionnaire to the carrier (representative of the carrier) before boarding the means of transport.

3. I hereby establish that this decision shall not be applicable to persons crossing the territory of the Republic of Lithuania by transit.
4. I hereby establish that this decision comes into force on 15 September 2020.
