S 007. INTERNATIONAL MILITARY EXERCISES "TOBRUQ LEGACY 2020", "RAMSTEIN ALLOY"**1. DESCRIPTION**

International exercises "Tobruq Legacy 2020" and "Ramstein Alloy" will take place on **21-25 September 2020**. Military activity dangerous to civil aviation will take place in the exercise airspace. **Activation time of the exercise airspace areas will be announced by NOTAM.**

2. FLIGHT RESTRICTIONS

Intensive MIL air activity in the exercise airspace may cause route, level or time restrictions for General Air Traffic (GAT). The availability of ATS routes will be published by AUP/ UUP (EAUP/EUUP).

On 21-25 September 2020 temporarily introduced the following EU (RAD) restrictions: EUEYR103R, EUEYR104R, EUEYR105R and EUEYD106R.

Commercial flights to/ from Šiauliai airport EYSA will be restricted - see NOTAM. The restrictions will not be applicable to the following flights/ aircraft: military aircraft participating in the exercises, border guard, police, search and rescue aircraft, firefighting services, emergency medical assistance services, provided that their flights within the exercise airspace are necessary due to assignments allocated to their institutions.

The flights from base aerodromes to exercise airspace and back will be carried out in accordance with flight plans (FPL). Aircraft participating in the exercises in FPL field 18 "Remark" should indicate "TOLY20" or "RAAL20".

Daily airspace restrictions will be indicated one day before activity, published in NOTAM and AUP/UUP, as well available on the internet website of the ANSP at: <https://www.ans.lt/en/oni/oro-erdvs-apribojim-informacinis-biuletinis/>.

3. EXERCISE AIRSPACE

Exercise airspace consists of new established restricted areas – EYR103, EYR104, EYR105, danger area – EYD106 and temporary segregated areas, published in Lithuanian AIP, ENR 5.2 – EY TSA3, EY TSA4, EY TSA5, and EY TSA7A/B/C.

4. DAILY AIRSPACE BOOKINGS AND MANAGEMENT

Exercise airspace bookings will be executed by the appointed MIL airspace coordinator. The appointed MIL airspace coordinator shall submit the application/ notification forms following the established procedures/ orders/ contracts to ANSP SE "Oro navigacija", Airspace Management Cell (AMC) by e- mail until 09.00 UTC within at least one working day before the commencement of the exercises (AMC e-mail: amc@ans.lt).

Only military aircraft participating in the exercises may execute flights within the exercise airspace. Duty Officer of the Lithuanian Air Force is responsible for the activation of exercise airspace and is liable to notify the respectful ATS unit about activation and deactivation of a separate exercise airspace area/element.

5. RADIO COMMUNICATION AND ORGANISATION OF AIR TRAFFIC

The Aircrews conducting flights for the exercise shall avoid NOTAM or ATS unit indicated special use active areas not associated to the exercise.

The Aircrews participating in the exercises, executing flights in controlled airspace outside the exercise airspace shall maintain radio communication by VHF radio with the appropriate civil ATC unit. Such flights are subject to GAT flight rules in accordance with SERA requirements.

The Aircrews participating in the exercise, executing the flights within exercise airspace shall maintain radio communication with the respectful military control unit (CRC Karmėlava "GALAXY").

The flights (not participating in the exercise) executed in order to ensure public order, also VIP, HEAD, HOSP, SAR, EMER to enter/ cross exercise airspace are possible only after prior permission. Permission must be coordinated in advance with the military control unit (telephone +370 37 307 879, +370 37 309 694). The military control unit will notify the respectful ATS unit about the clearance to enter the exercise airspace issued to the coordinated flights.
